TECHNICAL PROJECTS & EXPERIENCE

Motivate Me: Soft Daily Quotes — *iOS App Creator & Developer* **Jul 2026 – Present**

Published on the App Store. Motivate Me is an iOS application that delivers daily motivational quotes and lets users export wallpapers and display quotes through personalized Home Screen widgets.

- Got 90 App Store downloads, 290 page views within the eight weeks of release with no paid promotion.
- Implemented daily quote rotation, on-demand refresh feature, quote history, photo-library export.
- Designed App Store promotional text and screenshots via Canva to present a cohesive brand image.

DataVisor — *Marketing Intern* **Aug – Nov 2025**

DataVisor is a $260 million Forbes Fintech 50 company utilizing AI to fight financial fraud. Prepared DEFEND Training, an AML/fraud/risk education platform for industry professionals, for a successful launch.

- Secured a partnership with About Fraud, increasing platform reach by 29,000+ professionals.
- Produced 10- to 15-minute video lectures using HeyGen. Coordinated with a video editor to improve content quality and consistency; used Google Workspace to support collaboration.
- Managed new user onboarding using the Absorb LMS platform. Worked with users to obtain testimonials. Tracked progress through Jira and Monday.com; shared updates with stakeholders via Slack.

Trailblazer Tutoring — *Founder & CEO* **Jul 2022 – Present**

Founded and scaled TrailblazerTutoring.com, an English tutoring company. Generated $98,000+ in revenue.

- Built and manage a 12-person team: 6 English tutors, 2 art tutors, 4 backup English tutors.
- Manage finances, invoicing, transactions, and tax filing via Square, PayPal, Zelle, and TurboTax.
- Manage pricing, tutor onboarding, parent communications, and quality control across 20+ weekly online and in-person classes. Use shared Google Calendar and Google Sheets systems to coordinate operations.
- Developed 100,000+ words of curriculum and copyrighted it with the Library of Congress. Coached students on private-school admissions; helped them gain admission to Castilleja, Woodland, Overlake.

7x Author — *Middle-Grade & Young Adult Author* **Nov 2016 – Present**

Wrote and independently published 4 chapter books and 3 graphic novels.

- Registered a sole proprietorship and obtained a Washington State business license through the DOR at age 11 in order to sell my books at local events; generated $15,000+ in book sales.
- Worked with independent bookstores in 6 states during the pandemic to host youth writing workshops, author interviews, and book events to encourage kids to keep reading and writing.
